Ever After estem

The bambae prince

Kaguya-Hime

There was a craze
for this brand of
clothing all over
the world, so its
designer was
extremely busy.

In a certain place,
there was once
a popular brand
named "Okina."

I'm looking
at it right now.

His name was
Ooku Naoto.

Have you seen
the book with the
potential models
for the ad?

And this one
is out of the
question.

He doesn't
have the
aura.

This one too.

No good.

You say that,
but there
isn't anyone
I can use

If you go
on like this,
we won't
have tonight's
schedule
settled until
tomorrow.

That's fine
if you're the
old man from
"The Tale of the
Bamboo Cutter."
Shall we go
find a bamboo
thicket?

Are there
no decent
models?

If we use
your criteria
for decency,
then we won't
find a single
one in the
whole world.

He approached
with a feeling
of suspicion...

That evening,
on the bridge
he crossed every
night, he spied
an unfamiliar
form.

Haha.
I'll leave the
bamboo thicket
to you. I'm
going to go
home and get
some sleep.

And saw a tall
and beautiful
young man.

Looking at
the moon.

What are
you doing
out at this
hour?

It'll be setting
soon, so you
should watch.

I've never
spent that
much time
looking at
the moon.

Did you
know that
the moon
gets red when
it sets, too?

Kaguyama
Teruya...

His modeling
name, Kaguya

The photos
came out well,
but the show
might not.

I'll leave
it to you
for a while.

Will he be
walking?

We'll use him
for the new
collection.

Let's wait...

Where did
you find such
a good model?

Oh, I just
followed
your advice.

But because
he's giving
him that kind
of work he
can go to bed
happy.

Oh that
one still?
Oeki-san's
got?

Hahaha!
As to be
expected
from that
sexy old
guy.

Have you
seen Oeki's
new model?

They got
another new
one? I haven't
seen him yet.

I guess
there's no
helping it.
They're not
hes. after
all.

And it's
work, in
the end.

I bet you're
getting offers
flooding in
from other
companies.

I've been
hearing some
rumors.

If that kind of
thing bothers
you, then you'd
better quit the
business.

I'd definitely
like to use you
for our fashion
collection...

Just recently
you've had
five offers.

Both foreign and
domestic, and
all top brands.

Are you
okay with
that? I
don't need
them.

Won't you
cry when
they're no
longer
asking for
you?

It's better
if you study
how to be
the kind of
person they
want.

Thinking
about this
body...

Won't it go
well in our new
underwear ad?

Hahaha!

You're wasted on modeling. What do you think about the movies?

If you're the one doing the filming, it'll be boring.

What kind of clothes should I make for you?

I want to announce a jewelry line under your name.

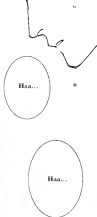

I haven't asked your name yet.

I'll tell you
next time.

On the night
of the next
full moon.

When will
that be?

...where am I?
In a room
with a good
view.

Kaguya!
Where are
you?!

Get in a
taxi and
come back
right now!

Ngh...

Oaki-san?

Maybe he's
thinking
about how to
get back to
the moon.

What's
Kaguya
doing?

Is he really
going to come?

Well, that's
an honor
I doubt I
deserve...

Even
though it's
one of you to
offer, it's not
exactly in my
line of work.

But you'd
be replacing
a veteran
photographer
much like
yourself...

You need to
come to the
collections.

Are you saying
you want me to
come as a sub-
stitute photogra-
pher?

I got your
text. What's
it about?

What's wrong?

...Nothing.

"The term 'moon age' refers to the days in the current cycle since the new moon.
"There are 14 lunar cycles in a full moon cycle that is, the time it takes for the moon to go through all the differences in phases based on the relationship of the moon, the earth, and the sun. This time is slightly longer than our calendar year.

As I watched
you, I was
thinking...

And you
were the full
moon.

There are
fourteen
models.**

Together, the
suits represented
the waxing and
waning of the
moon.

The theme of
Okima's current
season is
"Moon Age."*

Ever since
you left
that day,

I haven't
been able to
stop thinking
about taking
your picture.

And I waited
here for you
each full
moon night.

Frankly, I
regretted
going to the
show today.
